From Puerto Rico there is little of interest. On the 9th the Ulinoa arrived there with sich and wounded from Santo Domingo. On the 12th the San Francisco de Borja was to leave with sen and provisions for the Spanish troops on that island.

Considerable atir has been made about the landing of two cargoes of negroes lately; the one near Cienface gos and the other near Cardenas. Some of the poer creatures were brought even to this city. It was reported that Zulucta was under arrest, but I hardly be have been elected one of the city magistrates. We were visited the other day by the United States steamer Marigoid (t).
